

COVID 19 HEALTH AND SAFETY POLICY

These precautions have been put in place for the health and safety of the MEG and Brumder guests and staff who may be or have family members who are immunocompromised or have young children at home who cannot yet be vaccinated.

- All guests must provide proof of full vaccination or a negative covid test result within 72 hours of attending a performance.
- Everyone is required to wear a mask at all times while indoors, regardless of vaccination status.
- Restrooms for hand washing, hand sanitizer and extra masks will be made available on site.
- If you are feeling ill we ask that you please attend a performance later in the run when they are well. We will happily reschedule to another performance when seats are available, and will provide a refund with proof of positive covid-19 diagnosis only.
- We have placed an air purifier in the theater space which remains running at all times.

Thank you for your understanding and for helping us to safely bring back live theatre!
